QUAKER
The Best
TABLE SAUCE.
Thousands of articles are now manufactured that in former years had to be imported, paying high duties; but we do not hesitate in telling you that even with all our advantages the Quaker Table Sauce takes the place. It has been pronounced by connoisseurs in Indian food as good and even better than Chutney, which has hitherto been entirely ground upon the mountains and is regarded by the very best judges of piquancy and relish as the most delicious sauce on the shelf of the grocer. The latter is now the testimonial we call the attention of the public to, greatly prized and relished by all connoisseurs in the piquancy, flavor, and strength of the ingredients it has by years of skill and experience. The delicacy of the aroma of the various vegetables, such as capsicum, eschalots, cinnamon, lemon-juice, ginger, cloves, nutmegs, cinnamon, lemon-juice, ginger, and peppers and kinds of cross-mild cream, is a most delicious sauce, and by using these in a liquid form as we have many years of success in this country, we have done away with the inconvenience of the sediment, or unpalatable lumps, and as invigorating as it is delicious to please the palate. By many admirers of this sauce have, heavy expectations been disappointed, and it is sold at a lower and delightful one dollar; while making a better article in figures to our dealer; while making a better article in figures to our dealer; while making a better article in figures to our dealer
